

A guide to Cebu 2012

SCAN ME

Free Cebu e-guidebook

Get the most comprehensive guides to Cebu in your phone, tablet or e-reader. You may need to install a free e-reading application like iBooks, Aldiko or Stanza to be able to read the guidebook.

To download the guidebook, you can either go to <http://mycebu.ph/itravel-ebook/> or scan the code in this poster using your gadget's QR code scanner. To download via QR code scanning, you need to be connected to the Internet and you need to have a QR code scanner (you can download a free QR code scanner in your phone's application market)
